A Year In Review

to **develop** and **create** opportunities for *individuals with disabilities* that will **support** and **inspire independence**.

MISSION STATEMENT

to **develop**...

In fiscal year 2019, the Community Services Foundation (CSF) property management department renovated a number of facilities and homes. The **development** of Reynolds and Centennial properties are well under way and will help ensure each person we support attends programs in safe and functional facilities. Further, the team has worked hard to rehabilitate many of our CILAs so each individual in residential programming has a place they are proud to call home.

and **create** opportunities...

This past year brought a brand new sponsorship opportunity to supporters: CSF **created** Honored Society, a friendship-based sponsorship program where local businesses support CTF ILLINOIS CILA homes. While the homes do receive financial support, the goal of the program is to **create** an opportunity for people to get to know our residents. We look forward to the future of this program!

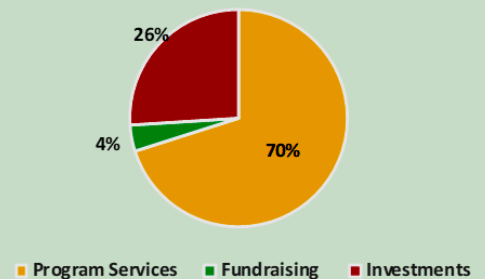

that will **support**...

Over the past year, CSF hosted a variety of special events in order to **support** our member agency, CTF ILLINOIS. CSF hosted events like the 3rd Annual ACT Bowl, Cinco de Mile, and Band Together Talent Show and Concert. CSF staff members plan and execute all aspects of the events. These outings not only enable us to raise vital funds, they help us gain new **supporters**. Most importantly, CSF's fundraisers allow our member agencies to rely on CSF for its primary fundraising so they are able to devote limited staffing resources to direct services.

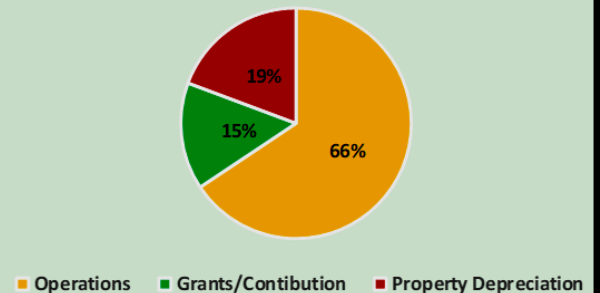

and **inspire independence**.

Thanks to a grant from CSF, CTF ILLINOIS was able to hire a full-time Art Director, who works out of the RITA building in Orland Park. The curriculum at RITA is meant to **inspire independence** for those who choose to be in the program, which serves as an arts-based educational facility. Classes offered include fine arts, drama, music, dance, hobby exploration, daily life skills, and more, all aimed at creating greater **independence** for people supported at CTF ILLINOIS.
